8.	From the President of the Dasara Exhn. Committee No. 10 dy. 7.7.09. States that the amount of Rs 2.200. sanctioned for Steel frame building for building wearing competition in fo. no R 8693-4 - Agri 92-08-4 dy 20.4.09, has lapsed and requests that the amount may be provided in the current year's budget as payment for the above has to be made during the current year. In his previous Communication No 115 dy. 21.6.09 referred to in the above letter under Reply, the President has requested that the total amount of Rs 4400 (of which the sum of Rs 2200 referred to above is one of the items) may be made available till the end of August 1909. As this course is not possible under the rules, it has been suggested in that file that the budget provision for the current year may be raised by Rs 4400. ~~If this is made the order~~ from Br II It is ascertained that the budget provision will be raised by Rs 4400. No orders seem therefore necessary on the present communication which may be sent to Br II to be kept along with the other file.

They have replied to say that they have taken up the work on hand and that the same cannot be completed before the end of the official year. A proforma bill has however been received from them

them for Rs. 1700/-.

2. Introduction of two door pieces in place of one at present &c, and flooring with Cuddappah slabs have been arranged with the Executive Engineer, Mr. B. Subba Rao.

3. Fencing work is being done under the supervision of the Park Overseer at Mysore.

As these works take some time for being completed i.e, about the end of August 1909 and as the Comptroller expresses his inabiliy to make Rs. 4,100/- sanctioned in G. O. No. R. 8693-4/ Agri.92-08-4 dated 20th April 1909 for these works, available till that period and as no provision has been made in the Budget for 1909-10 for the execution of these works, I request that either the sum of Rs. 4,100/- may be made available till the end of August 1909 or I may be permitted to draw the amount and keep it in deposit to enable me to make the payments as soon as the works are brought to completion.
